MEMORANDUM FOR US Army Fort Belvoir Garrison Personnel

SUBJECT: Fort Belvoir Policy Memorandum #1, Garrison Commander's Open Door Policy

1. REFERENCE. Army Regulation 600-20 (Army Command Policy), 6 November 2016
2. PURPOSE. To provide guidance to all Fort Belvoir garrison personnel on the Commander's Open Door Policy.
3. APPLICABILITY. This policy statement applies to all military and civilian personnel assigned to or under the control of this command.
4. POLICY. All military and civilian members of this garrison have the opportunity to personally speak with the Commander to present facts, concerns, problems of a personal or professional nature, or issues that the individual has been unable to resolve at a lower level. This right may not be denied at any subordinate level for your prior participation in the EO/EEO process with your own complaint or if you gave a statement on behalf of another employee.
5. PROCEURES.
 - a. Problem solving is an inherent responsibility of command. Soldiers and employees should normally resolve problems and concerns by working through the chain of command or other support agencies. If an individual is reluctant to discuss a problem with a member of his/her command chain, other channels such as the Inspector General, Staff Judge Advocate, Chaplain, Union Representative, Equal Opportunity Advisor, Equal Employment Opportunity Specialist, and Fort Belvoir Counseling Center are also available to provide assistance. For an appointment with me, contact my office at 703-805-2052.
 - b. Each of you must actively support the policies and principles of EEO and EO to ensure continued progress is made in these important programs. Your individual dedication and commitment to the program provides a sound basis for us to achieve our stated goals and objectives as outlined in the EEO/EO Affirmative Action Program Plans.
6. PROPONENT. The proponent of this policy is the Equal Opportunity (EO) Office at (703) 805-2288 or the Equal Employment Opportunity Office (EEO) at (703) 805-2006.
